STRONGER FAMILIES, BRIGHTER FUTURES

April is National Volunteer Month!

We are grateful for our ever-growing family of volunteers who are dedicated to changing lives in our city. **Turning Points for Children is supported by over 500 volunteers** each from various places, from our corporate partners to our community-members, all unified towards the same goal: doing more good in the neighborhood.

For our volunteers, it's not just about showing up and supporting. Many of our volunteers have a personal connection to our mission, a connection that makes every action they take even more impactful and meaningful. They understand the importance of strengthening families and that their commitment of time, talents, and treasure help us do more. We know if there is ever a need, our volunteers will rise to help us fulfill it.

Now there are more perks to volunteering than just doing more good! One of our new partners is the **Philadelphia Union** and they have invited us to join their volunteer portal, **U-Serve!** You can join online using the link below and earn reward points with the Union, all while continuing to support our mission!

**Thank you
Volunteers!**

Volunteer for Foster Care Awareness Month!

Next month, we will be celebrating Foster Care Awareness Month by taking 35 of our families to the Philadelphia Zoo! To prepare, we will need your help! **Join us on Friday May 5th** as we pack some grab n' go gift bags for over 140 parents and children joining us for a day at the Zoo! You can register using the link below or by reaching out to our [Development Team](#). We hope to see you there!
