STRONGER FAMILIES, BRIGHTER FUTURES

Shouting Out Our Champions!

It takes a village to make a child's dreams come true, and year after year the team at TD Bank show that they are part of ours!

For the past four years, Team TD has paddled with a purpose in the Independence Dragon Boat Regatta to raise awareness and funds for our mission. They put their all into a cause they care about, and they make a huge difference in the lives of the children and youth we serve.

Exemplary leaders use their power in service to others. The staff at TD Bank live out this core value.

The dedication and enthusiasm of our volunteer paddlers raised \$28,000 (including a \$10,000 matching gift from TD Bank) in support of the mission of foster care! Before

they raised anything, before they got in the boat, before they won the Ascend Cup for the 2nd year, they were already champions, because they are Champions for Children!

Shout out to our top fundraisers:

LaToya Allen

&

Lilibeth Ramirez

And our team organizer, Kathy Wong!

Thank you, TD Bank staff!

June is Pride Month! As we continue our mission to provide safe and loving homes for all foster care youth, we want to highlight an urgent and critical need within our community.

LGBTQ+ foster care youth deserve homes where they feel safe and affirmed like everyone else. However, these young people face unique challenges and often experience higher rates of discrimination, rejection, and trauma.

At Turning Points, we work to provide welcoming spaces to support and empower LGBTQ+ youth as they grow into healthy adults. Your donations help us to recruit and train foster parents who are committed to providing inclusive and supportive environments.

We need your help creating a world where every child can feel safe, valued, and loved for who they are. Together, we can make a profound difference in the lives of these resilient young people.

You, too, can be a Champion of Children!
