We are Grateful for Our Sponsors!

***We are proud to recognize our sponsors who support the mission of
Stronger Families and Brighter Futures***

Diamond Sponsor

America's Most Convenient Bank®

TD Bank

As one of the 10 largest banks in the U.S., TD Bank believes in the power of community. Across greater Philadelphia, thousands of TD colleagues are personally invested in helping their customers achieve their financial goals by meeting them wherever they are on their financial journey. This includes offering a full range of retail, small business and commercial banking products, services and helpful financial guidance.

Their dedication extends beyond their store locations, products, or even the dollars they give. Their staff pride themselves on showing up in their own communities and giving back in meaningful ways. For the last four years, TD Bank employee volunteers have been proud supporters of Turning Points for Children, including the Independence Dragon Boat Regatta, to raise awareness of our mission to secure a brighter future for local families.

That's the human side of banking. Stop by your local store or visit td.com to see how they're continuing to put their customers and communities first in everything they do.

Thank you to our TD Bank team for being our impact partners!

Emerald Sponsor

EDA Contractors

EDA Contractors are more than just a reliable contracting company, they are a force for good in our communities.

EDA specializes in the exterior building envelope, helping make buildings watertight through expert workmanship and teamwork. Their company values exceeding expectations, living proactively, and demonstrating humility - values that are reflected in every aspect of their work and workplace. EDA has a close partnership with Reboot Construction Services, a non profit construction services and prep program created by an EDA Contractor Kodi Nixon, who works to train Black and Brown youth from urban areas for careers in construction and carpentry.

Their philosophy is “Together we can do more” and they truly embody that. The EDA and the EDA Cares Team are a reliable partner we can count on. Last year,

EDA celebrated the holidays with our teens from BIPS, an after-school intensive prevention program. The EDA team organized a lunch for the youth and gave each of them a personalized gift from their wish list. Traditions like this shows how EDA continues to go above and beyond and “do more” for vulnerable families and youth.

Thank you to EDA for your commitment to building stronger families and brighter futures for children!
