STRONGER FAMILIES, BRIGHTER FUTURES

Honoring Our History & The Impact We Have Had

Our work began in 1835. Through our legacy organizations, we have always showed up for the children, youth, and families in Philadelphia who needed people to provide hope for a brighter future. It is from this spirit that our work was born and continues today.

The need for social services has always been present, even before we had the terms to describe it, we raised our hands to do it.

2026 marks the 250th anniversary of the birth of the United States and marks **190 years of Turning Points for Children and its legacy organizations.** This milestone moment invites us to honor not only where we've been, but the tens of thousands of lives that have been made better because of our work. As we honor the past, we look to the future. Ready to meet new challenges, guided by care, resilience, and a deep commitment to the children, youth and families that we serve.

In 2025, our program staff provided essential resources and services to 1,000 individuals each month. This included:

- FAWN food pantries hosted **6,386 total pantry visits helping neighbors** with fresh food, resources, and case management
- Our Older Youth Services supported **284 young people** with life skills, housing, employment, and education
- Our Family Finding program made life-long connections to **1,782 family and community members** for **268 system-involved youth**
- BIPS, our prevention program for youth in West Philly, **scored 100% on its DHS audit and demonstrated that our BIPS team** goes above and beyond for these young people everyday

And so much more!

Because of YOU, lives have been changed.
