For ONLINE Independent Trainings Click Below

Click Here

The ONLINE Trainings are offered through our Coassemble platform where Resource Parents can independently complete their trainings with video content and quizzes on a fully virtual platform. ONLINE Trainings offer Resource Parents with hectic schedules an opportunity to complete trainings at their convenience. Click the button above to register for our Coassemble online trainings. Following registration for ONLINE trainings the Resource Parent will receive and email invitation from Coassemble to create their username and password. The resource Parent will then be able to access the training online through Coassemble. Please be aware that the link is only good for 2 days therefore Resource Parent need to be prompt.
